

All About BOOKS

September 15th, 2025

Oh, my, oh, me – looks like we overlooked our blog for 9/8/2025, we'll do better – September is a wee bit busier than expected so mea culpa, mea maxima culpa!

Ok, ladies and gentlemen, let's get this puppy started – since I've been thinking about 'being' more creative, especially since our "Come, Write a Poem with Me" by Marilyn Brodhurst class is FULL, exciting! and it starts 9/15, the same day this blog shows up – that's two things to get you moving...though I've another possibility for those of you looking for something else creative to feast your senses on – what about ART? Yes, Dee's Attic has a LOT of art books and fall and winter are coming, can't deny this...so what about Danny Gregory's "Art Before Breakfast" with its accompanying workbook – they can be for those who work second shift, early risers, and lo and behold, those retirees who can't seem to find anything 'to do.' Or like my son who SAYS A "LOT" – 'ME TIME' is sorely needed (ha! ha!). Well, if your brain is clear of nonsense and you're feeling unusually great – why not a few minutes of "Art Before Breakfast?" Even if it's only a half hour – it's a beginning and then there's after dinner and the weekend - ok, then – what do you think??

Seriously, ART? Surely - you cannot imagine until you try it, I promise you will not believe how awesome you'll feel spending time creating!!!

Oh, my goodness, Grandparents Day was recently, and it made me think of all those munchkins – children, grandchildren, great-grandchildren – and was wondering if have you checked out ALL Dee's Attic children's books recently...for the beginning, you know, Mom and Day, the ones 'you' read to - the wee lads and lasses, like Peter Rabbit and then those we used to cut our teeth on like "Dick and Jane" (See Dick run and Jane likes Dick, etc.) as we began to learn to read that's been replaced by "Spot the Dog",

and lots of Dr. Seuss (Cat in the Hat, Go Dog Go, If I Ran the Circus, etc.). Moving on, we also have Chapter Books like “Big Nate” and “Magic Tree House” and more. What about those Tweens?? We have Twilight, Harry Potter and believe it or not, a lot of fantasy books...ok, let's get moving!! PLUS be sure to check out the POPUP BOOKS section in the lobby as well, for early readers and tweens!!! And also in the lobby are those quaint spiral-like community cooking books – I know we get a lot of requests for them, so FINALLY they are HERE, just waiting for you to drop by and check them all out!! Yum!!

And to top the blog off – how about this week's New York Times Book Top Ten Hardback books for this week!
